Kits for Kidz™ was founded on the belief that all children deserve to start their first day of school well prepared. For many of us the most basic school supplies are not difficult to acquire. But, for the children of families living in poverty, the prospects of having their very own notebook, pencil or box of crayons are highly unlikely. The goal of the Kits for Kidz™ Program is to provide these less fortunate children the necessary supplies they need so that they are equipped to receive what they so desperately need — an education.

Kits for Kidz is the sole supplier for the 30–component, School Supply Kits selling for $15.00. Each kit comes completely assembled and is filled with new, name brand school supplies including Acme, Sargent Art, and Staples. The kits are delivered to your choice of destination in an easy to carry/distribute corrugated box with a plastic handle.

We stock three age appropriate kit styles:

- Primary Kit – Appropriate for Kindergarten-2nd Grader
- Elementary Kit – Appropriate for a 3rd through 5th Grader
- Junior High Kit – Appropriate for a 6th through 12th Grader

(See KFK Component Sheet for list of items in each kit)

In addition, we are the sole provider of Assembled Adult, Young Adult & Children's Hygiene Kits packed in a toiletry case that sell for $7.50/ea.
