Addendum #1 for ITB-17-042-DP, Intercom, Mater Clock, and PA Sound Systems

The following language provides edits to the above-referenced ITB:

Section 1.8 – Term and Renewal

The term of the resulting agreement shall be for a period of ***three (3) years with two (2)*** successive options to renew of one-year each, all at the sole discretion of the District. Options to renew will be evidenced in writing as a contract amendment to the resulting agreement, negotiated, executed and signed by the District prior to the expiration date of the resulting agreement or any valid extension thereof. The District, in its sole discretion, may negotiate a different contract term (fixed term and option periods) from the term advertised in this ITB in the best interests of the District.

The following list addresses the questions received regarding this solicitation:

1. **Can you please provide an attendee list?**
