SUBJECT: AWARD BID NO. 067-EE01 – METAL-DETECTION PROGRAM

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

The purpose of this bid, opened on March 22, 2005, is to purchase, at firm unit prices, quantities, as may be required, of metal-detection services, at secondary schools. The contractor will provide, on a random basis, as requested by the Miami-Dade Schools Police Department, support services for the detection of weapons, using hand-held scanning devices in the schools. In addition, if requested, portable walk-through metal detectors may be utilized during special events, such as dances and athletic games. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Of 54 vendors sent bid forms or card notices of this advertised bid, 7 responded, with 6 regular bids and 1 no bid.

Benchmarking was attempted, using the items against the Miami-Dade County contract. The results indicated that the District's prices are comparable.
