STRATEGIC PLAN: EVALUATE AND REDESIGN INTERNAL BUSINESS OPERATIONS

The purpose of this bid, opened on July 11, 2007, is to establish a contract, to provide and deliver milk and dairy products for all District school sites and designated non school-site locations, for the Department of Food and Nutrition. There were 2 responses to this advertised bid, with 1 responsive bid and 1 no bid. The no bid, submitted by McArthur Dairy, LLC, indicated that this vendor did not have adequate production capability at this time to service the entire District.

This is a term bid which states that the cost of the milk and dairy products is based on published federal milk costs, plus a firm fixed markup for transportation and delivery. The federal index for raw milk is adjusted quarterly. The items on this bid comply with the changes in the District's wellness policy and no trans-fat policy.
