**SUBJECT:           AWARD BID NO. 013-FF07 – DIESEL FUEL #2 (LOW SULFUR)  
                          SOUTH OF FLAGLER STREET (TRANSPORT DELIVERY)**

**COMMITTEE:        INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS**

The purpose of this bid, opened on September 15, 2005, is to purchase, at firm service charges with escalation/de-escalation of fuel prices based on the OPIS average rack price at Miami/Port Everglades, quantities, as may be required, of diesel fuel #2 (low sulfur) South of Flagler Street, for the Department of Transportation, Vehicle Maintenance. Benchmarking was conducted with prices on Miami-Dade County's fuel bid. Although the bid is not structured in the same manner as the District's, prices were determined to be lower. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Inasmuch as fuel prices continue to increase, the total estimated award expenditure includes a 10% contingency amount of \$6,290,880.50. Of 37 vendors sent bid forms or card notices of this advertised bid, 6 responded, with 2 regular bids, 1 non-responsive bid (vendor included terms and conditions not on bid) and 3 no bids.
