

Business Operations
Ofelia San Pedro, Deputy Superintendent

SUBJECT: TERMINATE CONTRACT NO. 099-DD07 – BRAKE DRUMS AND BRAKE-LINING KITS

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

This contract awarded by the Board, on June 16, 2004, was to purchase, at firm unit prices, quantities, as may be required, of brake drums and brake-lining kits, for the Department of Transportation, Vehicle Maintenance.

Subsequent to the award, the awardees, Total Truck Parts, Inc., of Miami, Florida, and Power Brake Exchange, of Miami, Florida, have advised Procurement Management Services that they can no longer honor prices due to the escalating cost of steel used in the manufacture of brake drums, and the rising costs of petroleum products used in the manufacture of resins, which impact brake-lining costs. Written documentation received from the manufacturers of the products used in the drum sets has been received indicating price increases.

The below recommendation reflects that the Board not implement the prescribed default provision, as noted in Board Rule 6Gx13- 3C-1.08 -- Performance and Payment Security, Declining a Bid Award, and Bonding Company Qualifications, on Total Truck Parts, Inc. and Power Brake Exchange. These items will be purchased, as the need arises, pursuant to Board Rule 6Gx13- 3C-1.111 -- Bidding Process -- Competitive Bidding Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure.
