SUBJECT: **AWARD BID NO. 002-NN06 – SOD, INCIDENTAL MATERIALS AND SERVICES: SUPPLY, FURNISH AND INSTALL**

COMMITTEE: **FACILITIES AND CONSTRUCTION REFORM**

LINK TO STRATEGIC FRAMEWORK: **FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to purchase, at firm unit prices, quantities, as may be required, to furnish and install sod, incidental materials and services, for Miami-Dade County Public Schools. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Six (6) vendors responded to this advertised solicitation.

The term of this bid shall be for one (1) year from date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for four (4) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current contract period.

The bid is awarded to primaries and alternate vendors, based upon the lowest, responsive, responsible vendor meeting all specifications. Items are being awarded by group, on a total low basis.

A price comparison was made between the prior contract rates, and the prices being recommended for award. The new bid pricing reflects a 12% annual reduction from the previous contract, which could represent an annual savings of \$81,285.00.
