SUBJECT: REJECT BID NO. 066-NN04 – VEHICLE TOWING

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid was to purchase, at firm unit prices, vehicle towing within Miami-Dade County, for various schools and departments, for the Department of Transportation, Vehicle Maintenance. Seven (7) vendors responded to this advertised solicitation.

Upon further review and pursuant to the specifications of this bid, staff has determined that it would be in the best interest of the District to reject all bids, in order to restructure the award methodology by regional quadrants instead of North and South of Flagler, to better serve the current needs of the District and to allow more vendor participation. In the interim, the School Board will fulfill its needs for this service through the Miami-Dade County contract that is currently in place.
