SUPPLY, INSTALL AND REPAIR**

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to purchase, at firm unit prices, quantities, as may be required, to furnish all labor, supervision, equipment and materials, to supply, install and repair restroom panels, for Maintenance Operations. This is a term bid which states that the Board may purchase quantities, as may be required, at firm prices, but is not obligated to purchase any guaranteed amount. One (1) vendor responded to this advertised solicitation.

The term of the bid shall be for one (1) year from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardee, be extended for one (1) additional one (1) year period and, if needed, ninety (90) days beyond the expiration date of the current contract period.

Benchmarking was conducted against The School Board of Pasco County, Florida, and the District's prices were found to be 5.8% lower. Benchmarking was also conducted against the previous bid, which was awarded by the Board in 2006. Current prices, after an eight (8) year period, were found to be 1.67% higher. Based on the above information, bid prices were determined to be fair and reasonable.

Strategies were employed to increase M/WBE & S/MBE participation, however, the list of registered vendors with the District does not reflect certified firms for the category.
