**SUBJECT: TERMINATE AWARD ON CONTRACT NO. 093-NN10 –
MOBILE CUSTOM-CATERING FOOD TRUCK**

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

This contract was awarded by the Board on November 19, 2013, for the purchase, and delivery of a new mobile custom-catering food truck, for the Department of Food and Nutrition.

The District is seeking to terminate for convenience this contract, as a result of the conclusion that a new mobile custom-catering food truck will not be required in the near future. Over the past fiscal year, the District has spent approximately \$185,000 on these services.

Within the Invitation to Bid document, specifically, Article VI, Section D TERMINATION FOR CONVENIENCE, it states, "The Board reserves the right to terminate this contract at any time and for any reason upon giving thirty (30) day notice to the other party. If said contract should be terminated for convenience as provided herein, the Board will be relieved of all obligations under said contract. The Board will only be required to pay that amount of the contract actually performed to the date of termination. Upon such payment, both parties shall be relieved of any further obligations under this contract."

As a result, upon approval, District staff will notify the vendor of the impending termination of the contract. There will be no interruption of services.
