Procurement Management Services, at the request of the Office of School Operations, released the above-referenced solicitation. The purpose of this Request For Proposals is to provide on-site comprehensive health services to approximately 112 teen parents and their infants/toddlers at the Dorothy M. Wallace Continuing Opportunities for a Purposeful Education (C.O.P.E.) Center South. This program will serve teen parents in grades 6-12.

This RFP was advertised on the Miami-Dade County Public Schools Procurement Management Services' website, the Demandstar website, *The Miami Times*, and the *Diario Las Americas* newspapers, BidNet and Florida Bid, as well as emailed to 49 potential bidders.

The initial term of the RFP shall be for two (2) years, commencing August 10, 2016 through August 9, 2018, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidder(s), be extended for three (3) additional one (1) year periods, beyond the expiration date of the initial contract period.

Strategies were employed to increase SBE/MBE participation; however, the Goal Setting Committee the recommended that this solicitation be open, not sheltered, as a large number of SBE/MBE vendors were not identified within the commodity code(s).

The Selection Committee reviewed the following two proposals: Community Health of South Florida, Inc. and First Care Home Services, Inc. After considerable discussion, request and submission of the best and final offer, and based on scoring criteria; the Selection Committee has recommended the award to one (1) vendor, Community Health of South Florida, Inc.
