

Financial Services  
Mrs. Judith M. Marte, Chief Financial Officer

**SUBJECT:                   AWARD INVITATION TO BID NO. ITB-16-022-AC – ROLL-OFF  
(OPEN TOP) WASTE CONTAINER COLLECTION SERVICES**

**COMMITTEE:               FISCAL ACCOUNTABILITY**

**LINK TO STRATEGIC  
BLUEPRINT:               EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

Procurement Management Services, at the request of the Office of School Facilities, released the above-referenced solicitation. The purpose of this Invitation To Bid (ITB) is to establish a contract, at firm unit prices, to provide roll-off (open top) waste container collection services for facilities throughout Miami-Dade County Public Schools. Bidders must have the ability to provide services at various locations throughout the District. This is a term bid which states that the Board may purchase services as needed, but is not obligated to purchase any guaranteed amount. This ITB was advertised on the Procurement Management Services website, the Demandstar website, BidNet, Florida Bid, *The Miami Times*, and the *Diario Las Americas* newspapers, as well as emailed to 130 potential bidders, which included three (3) MBE vendors that are registered to the solid waste commodity codes.

The initial term of the bid shall be for a period of three (3) years, commencing January 25, 2017, through January 24, 2020, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for two (2) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation. The Goal Setting Committee recommended that this solicitation be open, not sheltered, as a large number of SBE/MBE vendors were not identified within the commodity code(s). Additional community engagement/outreach efforts will be facilitated by the Office of Economic Opportunity to continue to increase certified vendor participation.

The District offered per group and district-wide pricing options for bidder consideration. Four (4) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, four (4) primary and four (4) alternate vendors are being recommended for award.
