Procurement Management Services, at the request of the Maintenance Material Management (MMM) warehouse, released the above-referenced solicitation. The purpose of this Invitation To Bid (ITB) is to establish a preapproved vendor list to supply materials, equipment, supplies, parts, and tools for the Maintenance Material Management warehouse. This is a term bid which states that the Board may purchase quantities, as needed, and is not obligated to purchase any guaranteed amount. This ITB was advertised on the Miami-Dade County Public Schools Procurement Management Services' website, the DemandStar website, Bid Net, Florida Bid, the Miami Times and Diario Las Americas newspapers and emailed to 221 potential bidders.

The initial term of the bid shall be for a one (1) year period, commencing October 11, 2017 through October 10, 2018, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidder, be extended for four (4) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation. The Goal Setting Committee recommended that this solicitation be open with a 10% SBE/MBE participation goal.

Thirty-six (36) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, the contract shall be awarded to thirty-five (35) vendors met the minimum requirements, of which eight (8) are certified as a Small/Micro Business Enterprise (S/MBE). The SBE/MBE goal was exceeded at 23%.
