SUBJECT: AWARD INVITATION TO BID NO. ITB-19-050-MJ – TRANSMISSIONS - FACTORY REBUILT

COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

Procurement Management Services, at the request of the Department of Transportation, released the above-referenced solicitation. The purpose of this Invitation to Bid (“ITB”) is to establish a contract to purchase factory rebuilt transmissions for the Department of Transportation of Miami-Dade County Public Schools. This is a term bid which states that the Board may purchase quantities, as needed and is not obligated to purchase any guaranteed amount. This ITB was advertised on the Procurement Management Services’, Bidsync and Demandstar websites. The solicitation was shared with the District offices for additional community outreach, including but not limited to social media, local radio stations and prior bid forecasting lists.

The initial term of the bid shall be for a two (2) year period, commencing October 21, 2020 through October 20, 2022 and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for three (3) additional one (1) year periods. At the time of contract extension, additional vendors may be added and/or removed, at the discretion of the District.

Strategies were employed to increase SBE/MBE (Small/Micro Business Enterprise) participation. The Goal Setting Committee recommended that this solicitation be open.

One (1) vendor responded to this solicitation. Based on the criteria listed in the ITB, the contract shall be awarded to one (1) vendor.

In FY 2019-2020, the District spent \$375,134.27 on factory rebuilt transmissions for school board vehicles. This solicitation allows for an estimated savings of 22.98% for the District.

M-DCPS OEO staff verified the Small, Micro, Veteran and/or M/WBE certification status of the prime firm and all subcontractors.
