

Financial Services
Mr. Ron Y. Steiger, Chief Financial Officer

SUBJECT: AWARD INVITATION TO BID NO. ITB-22-033-MJ – AUTOMOTIVE REPAIR SERVICES AND SPECIALIZED REPAIRS FOR SCHOOL BOARD VEHICLES

COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

LINK TO STRATEGIC PLAN: EFFECTIVE AND SUSTAINABLE OPERATIONAL PRACTICES

Procurement Management Services, at the request of the Department of Transportation, released the above-referenced solicitation. The purpose of this Invitation to Bid (ITB) is to establish a contract, at firm service charges, with vendors that are qualified to provide automotive repair and specialized repair services for the Department of Transportation of Miami-Dade County Public Schools. This is a term bid which states that the Board may purchase services, as may be needed, but is not obligated to purchase any guaranteed amount. This ITB was advertised on the Procurement Management Services website and DemandStar. This contract impacts all District employees, which breaks down to an annual amount of \$19.19 per employee based on the annual contract amount of \$660,000. The solicitation was shared with the District's Office of Economic Opportunity (OEO) for additional community outreach.

The initial term of the bid shall be for a period of three (3) years, commencing August 16, 2023 through August 15, 2026, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for two (2) additional one (1) year periods.

Pursuant to School Board Policy 6320.02, the Goal Setting Committee recommended that this solicitation be open with a 5% price preference for African American and/or Non-Minority Women owned certified firms.

Eight (8) vendors responded to this advertised bid. M-DCPS OEO staff verified the Small, Micro, Veteran and/or M/WBE certification status of the firm(s). Based on the criteria listed in the solicitation, the contract will be awarded to four (4) vendors, of which two (2) are certified but did not meet the advertised goals.

In Fiscal Year 2022-2023, the District spent \$51,093 on automotive and specialized repairs.
