COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

**LINK TO STRATEGIC
PLAN: EFFECTIVE AND SUSTAINABLE OPERATIONAL
PRACTICES**

The purpose of this request is to obtain approval of a supplemental award on the following term contract, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the contract extension term(s) expires. This supplement is required to furnish and install chain link fences, gates, accessories, and related services at Miami-Dade County Public Schools' facilities, not included in the original solicitation. During the course of the initial term of this contract, Facilities Operations Maintenance initiated a plan to enhance the safety and security of school sites and related facilities by conducting repairs, replacements, and installations of fences and gates across the District. Furthermore, unanticipated events have led to the near exhaustion of the original allocation. This supplement amends the total contract award to \$2,666,667 annually. This contract impacts all District schools and facilities, on an as needed basis.
