LINK TO STRATEGIC PLAN: EFFECTIVE AND SUSTAINABLE OPERATIONAL PRACTICES

This item requests the School Board's approval of the bid rejection(s) identified below:

INVITATION TO BID NO. ITN-24-019-CM – VOICE SERVICES was released on December 12, 2024, with the bid opening subsequently held on January 21, 2025, to establish a contract for telecommunication services to all district locations and select charter schools. The Selection Committee reviewed the minimum qualifications and evaluation criteria and recommended that this solicitation be rejected to allow staff to modify the ITN to provide additional time for transition of services and explore any additional costs. As a result, this ITN is recommended for rejection and re-release at a later date.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, reject Invitation To Negotiate No. ITN-24-019-CM – Voice Services, to permit rebidding.
