The purpose of this request is to obtain approval of a supplemental award on the following term contracts, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the contract term(s) expires.

INVITATION TO BID NO. ITB-21-014-TA – FENCE AND GATES, FURNISH AND INSTALL - During the initial term of this contract, Facilities Operations, Maintenance initiated a plan to enhance the safety and security of school sites and related facilities by repairing, replacing, and installing fences and gates across the District. Furthermore, unanticipated events have nearly depleted the original authorized amount as well as the supplemental amount approved by the Board at its June 18, 2024 meeting (E-145). Therefore, this supplement is required to cover the cost of such additional repairs, replacements and installations not included in the original award, and amends the total contract award to \$3,666,667 annually. This contract impacts all District schools and facilities, which breaks down to an annual amount of approximately \$8,148.15 per location based on the annual contract amount of \$3,666,667.
