Additionally, Contractor agrees that each of its employees, representatives, agents, subcontractors or suppliers who are permitted access on school grounds when students are present, who have direct contact with students or who have access to or control of school funds must meet level 2 screening requirements as described in sections 1012.32 and 435.04, Florida Statutes, and further upon obtaining level 2 clearance, must obtain a required Board issued photo identification badge which shall be worn by the individual at all times while on Board property when students are present.

Contractor agrees to bear any and all costs associated with acquiring the required background screening – including any costs associated with fingerprinting and obtaining the required photo identification badge. Contractor agrees to require all its affected employees to sign a statement, as a condition of employment with Contractor in relation to performance under this Agreement, agreeing that the employee will abide by the heretofore described background screening requirements, and also agreeing that the employee will notify the Contractor/Employer of any arrest(s) or conviction(s) of any offense enumerated in s. 435.04, Florida Statutes within 48 hours of its occurrence.

4. I understand that the Act amends the background screening requirements of section 1012.465, Florida Statutes (2004) for all non-instructional school district employees or **"contractual personnel"** by requiring all non-instructional school district employees or contractual personnel who are permitted access on school grounds when students are present to undergo and pass "level 2 background screening," and further I understand the Act defines **"contractual personnel"** to include any vendor, individual, or entity under contract with the Board.
5. I understand that pursuant to section 1012.465, Florida Statutes as amended by the Act, non-instructional school district employees or contractual personnel who are permitted access on school grounds when students are present, who have direct contact with students or who have access to or control of school funds must meet level 2 screening requirements as described in sections 1012.32 and 435.04, Florida Statutes.
6. I understand that as a _____ (eg. a private bus
Type of entity
service contractor) all contractual personnel, as defined in section 1012.465, Florida Statutes, must meet level 2 screening requirements as outlined in sections 1012.32 and 435.04, Florida Statutes in order to do business with The School Board of Miami-Dade County, Florida.
7. I understand that "level 2 screening requirements," as defined in sections 1012.32 and 435.04, Florida Statutes means that fingerprints of all contractual personnel must be obtained and submitted to the Florida Department of Law Enforcement for state processing and to the Federal Bureau of Investigation for federal processing.
8. I understand that the School Board will implement local procedures to comply with level 2 screening requirements, as defined in sections 1012.32 and 435.04. I understand that my company must comply with these local procedures as they are developed.
9. I understand that any costs and fees associated with the required background screening will be borne by my company.
10. I understand that any personnel of the contractor found through fingerprint processing and subsequent level 2 background screening to have been found guilty of, regardless of adjudication, or entered a plea of nolo contendere or guilty to any offense outlined in Section 435.04, Florida Statutes (or any similar statute of another jurisdiction), shall not be permitted to come onto school grounds or any leased premises where school-sponsored activities are taking place when students are present, shall not be permitted direct contact with students, and shall not be permitted to have access to school district funds.

11. I understand that the failure of any of the company's or my affected personnel to meet level 2 screening standards as required by section 1012.465, Florida Statutes, may disqualify my company from doing business with The School Board of Miami-Dade County, Florida.
12. I hereby certify that the foregoing statement is true and correct in relation to the company for which I am submitting this sworn statement. I further certify that this statement is being given knowingly and voluntarily by me on behalf of my company.
