5. **AWARD:** The School Board of Miami-Dade County may award a contract to the three (3) lowest responsive and responsible bidders who demonstrate by reference and credentials that they meet the specifications of this solicitation. Bidder's pricing tendered at the time of bid opening will be used in the evaluation process to determine the lowest bidders, however, pricing bid for each line item on the Bid Proposal shall remain firm throughout the term of the bid, and all subsequent contract extensions.
