Vendor shall guarantee the price for ninety days from the date of submittal.

2.02 CHANGE OF SCOPE OF WORK

- A. After issuance of a purchase order and commencement of a project, the scope may be changed for reasons including, but not limited to, unforeseen circumstance or owner's request. In the event the change in scope entails additional work, the M-DCPS authorized representative shall issue a request for quote (RFQ) to the vendor assigned the project in order to maintain continuity and progress of the work. The time frame for response shall be stated in the RFQ. Vendor error or omission shall not be cause for any additional cost or concomitant issuance of a supplemental purchase order.

- B. If the vendor does not respond within the time frame stipulated in the RFQ, M-DCPS may at its sole option, perform the work in any manner it deems in the best interest of the District, including cancellation of the original purchase order and compensating the vendor only for work performed and materials in place.
- C. If the vendor's proposal is acceptable, a supplemental purchase order will be issued for the additional work. If necessary, the original completion date may be adjusted by mutual agreement between the vendor and the M-DCPS authorized representative.
- D. If there is a reduction in the scope of work, the M-DCPS authorized representative shall issue a Request for Credit (RFC), the amount of which shall be reached through mutual agreement. This amount shall be deducted from the lump sum due to vendor.
