- A. **Collection Process:** Within ten (10) working days of notification by M-DCPS, the contractor shall pick-up ballasts, fluorescent lamps and other mercury-containment lamps in boxes or other appropriate containers from various individual M-DCPS locations throughout Miami-Dade County and transport them to an appropriate recycling facility. - D. **Damage:** The contractor shall be responsible for the repair and/or restoration of any area and/or equipment damaged in the performance of its work.
- E. **Rules and Regulations:** The contractor and all work performed and materials used must comply with all applicable rules and regulations as imposed by, but not limited to:
1. Environmental Protection Agency, Region IV.
 2. The state and federal Departments of Transportation.
 3. The Miami-Dade County Department of Environmental Resource Management.
 4. The Department of Environmental Regulation of the State of Florida.
- F. **Invoices:** All invoices for work performed under this contract shall be detailed, showing the type of service performed, the quantity and the unit prices as bid and awarded under this contract. No deviations from this contract shall be accepted. Lump sum invoices and/or estimates will be unacceptable and may result in delayed payment.

SECTION 3 - INSURANCE REQUIREMENT

The successful contractor shall have proper insurance as outlined in the Special Conditions and the attached indemnification and insurance forms.

SECTION 4 - AUDIT AND INSPECTION OF RECORDS

The contractor, in signing this bid document, agrees that M-DCPS, or any of its duly authorized representatives, shall for the purpose of audit and examination be permitted to inspect all work, materials, payrolls, and other data and records with regard and pertaining to the work performed under this contract, and to audit the books, records, and accounts with regard to this contract. Further, the contractor agrees to maintain all records for this contract, for a minimum of three years after completion of the contract.

INDEMNIFICATION AND INSURANCE

In consideration of this Contract, if awarded, the Vendor agrees without reservation to the indemnification and insurance clauses contained herein. These clauses are attached to and form a part of Bid# 121-5010

INDEMNIFICATION

The Vendor shall hold harmless, indemnify and defend the Indemnitees (as hereinafter defined) against any claim, action, loss, damage, injury, liability, cost or expense of whatsoever kind or nature including, but not by way of limitation, attorneys' fees and court costs arising out of bodily injury to persons including death, or damage to tangible property arising out of or incidental to the performance of this Contract (including goods and services provided thereto) by or on behalf of the Vendor, whether or not due to or caused in part by the negligence or other culpability of the Indemnitee, excluding only the sole negligence or culpability of the Indemnitee. The following shall be deemed to be Indemnitees: The School Board of Miami-Dade County, Florida and its members, officers and employees.

INSURANCE

Prior to being recommended for award, the Vendor has five business days after notification to submit proof of insurance as required herein. Failure to submit a fully completed, original certificate of insurance signed by an authorized representative of the insurer providing such insurance coverages may cause the Vendor to be considered non-responsive and not eligible for award of the Contract. The insurance coverages and limits shall meet, at a minimum, the following requirements:

1. Commercial General Liability Insurance in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage.
2. Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the operations of the Vendor, in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage.
3. Workers' Compensation Insurance for all employees of the Vendor as required by Florida Statutes.

"The School Board of Miami-Dade County, Florida and its members, officers and employees" shall be an additional insured on all liability coverages except Workers' Compensation insurance.

The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the Vendor.

All insurance policies shall be issued by companies with either of the following qualifications:

(a) The company must be (1) authorized by subsisting certificates of authority by the Department of Insurance of the State of Florida or (2) an eligible surplus lines insurer under Florida Statutes. In addition, the insurer must have a Best's Rating of "B+" or better and a Financial Size Category of "IV" or better according to the latest edition of Best's Key Rating Guide, published by A.M. Best Company.

or

(b) with respect only to the Workers' Compensation Insurance, the company must be (1) authorized as a group self-insurer pursuant to Florida Statutes or (2) authorized as a commercial self-insurance fund pursuant to Florida Statutes.

Neither approval nor failure to disapprove the insurance furnished by the Vendor to the School Board shall relieve the Vendor of the Vendor's full responsibility to provide insurance as required by this Contract.

The Vendor shall be responsible for assuring that the insurance remains in force for the duration of the contractual period; including any and all option years that may be granted to the Vendor. The certificate of insurance shall contain the provision that the School Board be given no less than thirty (30) days written notice of cancellation. If the insurance is scheduled to expire during the contractual period, the Vendor shall be responsible for submitting new or renewed certificates of insurance to the School Board at a minimum of fifteen (15) calendar days in advance of such expiration.

Unless otherwise notified, the certificate of insurance shall be delivered to:

Miami-Dade County Public Schools
Office of Risk and Benefits Management
1500 Biscayne Boulevard, Suite 127
Miami, Florida 33132

The name and address of Miami-Dade County Public Schools, as shown directly above, must be the Certificate Holder on the certificate of insurance.

The Vendor may be in default of this Contract for failure to maintain the insurance as required by this Contract. Any questions regarding these requirements should be directed to Ms. La-Chane Clark at 305-995-7133.
