Paint: FSPMA Approved

### SPECIAL CONDITIONS

1. **PURPOSE:** The purpose of this bid is to establish a contract, at firm unit prices, for the purchase of estimated requirements, for the items listed, and to establish a contract with pre-qualified vendors to supply paint for major paint projects. The term of the bid shall be for two(2) years from the date of award, and may, by mutual agreement between Miami-Dade County Public Schools and the successful bidder(s), be renewable for **two (2) additional one (1) year** period(s) and, if needed, 90 days beyond the expiration date of the current contract period. Procurement Management Services, may, if considering to extend, request a letter of intent to extend from the successful bidder(s), prior to the end of the current contract period. All prices shall be firm for the term of the contract. The successful bidder(s) agrees to this condition by signing its bid.
2. **PRE-APPROVAL:** All paints shall be pre-approved by the Florida School Plant Management Association (FSPMA). The products listed on the most recent FSPMA Approved Paint List are the only products that will be accepted. Any manufacturer who wishes to have its paint considered for use by M-DCPS may submit a request to the FSPMA, Department of Materials Testing and Evaluation, 7040 West Flagler Street, Miami, Florida 33144. All paints listed are considered "no substitute". Vendors must bid as specified. Bidders may contact the Department of Materials Testing and Evaluation or The Florida School Plant Management Association web site at [www.fspma.com](http://www.fspma.com). for paint sample criteria.
3. **AWARD:** Award of items 1 through 8 will be to all vendors offering a fixed price for FSPMA approved paints and the manufacturer's recommended primers. The prices offered must remain fixed throughout the term of the contract. The purchase orders will be for minor/small paint jobs (up to \$3,000).  
  
Award of item 9 will be to all responsive, responsible bidders regularly engaged in supplying paints and primers, offering a fixed price for other line items in this bid. Any bidder not offering a fixed price for any other item (1 through 8), shall not be pre-qualified. These bidders will be pre-qualified to offer quotes for major paint jobs (over \$3,000), using FSPMA approved paints and the manufacturer's recommended primers. Award of request for quotes (RFQ) will be made to the vendor offering the lowest price. The award of an RFQ to one vendor does not preclude the ability of the remaining pre-qualified bidder(s) from submitting offers for other RFQ's.
4. **WARRANTY:** All bidders shall provide a written guarantee signed by the paint manufacturer's representative against cracking, peeling, flaking, chalking and mildew on all surfaces, and additionally against erosion and unreasonable fading on exterior surfaces, for a minimum of six years. The written guarantee, must indicate that the bidder shall be responsible for and pay all costs associated with the repair and/or repainting of surfaces affected by such defects, including all labor and material which may include any necessary removal or protection of other work, without limit, within 30 days after notification at no cost to the Board.

9. **ESTIMATED QUANTITIES:** The estimated quantities provided in the bid proposal are for bidder's guidance only. No guarantee is expressed or implied, as to quantities that will be used during the contract period. Estimates are based upon M-DCPS's actual needs and usage during a previous contractual period, and include an additional ten percent to cover unanticipated increases in requirements.
10. **PAINT SUPPORT PROGRAM:** To insure adhesion to various substrates, M-DCPS has developed a paint support program. Paints must meet a criteria of 4 or 5 on the ASTM Test 3359-Method-A. A representative from each manufacturer must be available to review and monitor each project, as requested by M-DCPS, to insure that the application conforms to manufacturer's specifications.
