

ADDENDUM 1 - ATTACHMENT A

CHANGES TO ITB-25-011-YG FIRE ALARM SERVICES, INSPECTIONS, MAINTENANCE AND SERVICE CONTRACT

Please note the following revisions to the ITB document: underlined text indicates additions, while strikethrough text indicates deletions.

CHANGE # 1: ITB Section 5.7 has been modified as shown below.

5.7-5.8 CONTRACTOR PRE-QUALIFICATION

Awarded vendors are not automatically pre-qualified with M-DCPS. Vendors shall possess a valid Miami-Dade County Public Schools, Contractor Prequalified Certificate, issued by the Office of Community Partnerships, Education and Business Access. Vendors shall be pre-qualified, at a minimum, as Low Voltage Contractor and/or Fire Alarm Contractor I. If the Bidder is not pre-qualified at the time of bid, they may submit proof they have submitted the application and started the process of prequalification. ***Vendors without a Pre-qualification Certification shall be prohibited from receiving any work until they obtain a valid a Pre-qualification certificate.*** Vendors shall maintain pre-qualified status throughout the term of this contract, and any extensions thereof. Applications and instructions are available at the following address: <https://miamidadeschools.diversitycompliance.com/?TN=miamidadeschools>

CHANGE # 2: ITB 6.13 (E) has been modified as shown below.

E. Peripheral Device Replacement and Miscellaneous Repairs

Repair or replacement of certain standard peripheral devices may be necessary. Devices which have failed due to age, wear, or for any other reason ~~other than~~ stipulated in Section 6.13, shall be replaced by the vendor. ~~as part of the Base Monthly Service Agreement.~~ The M-DCPS Authorized Representative shall verify the quantities and types of devices and verify that the devices are inoperative. Following such verification, a confirmation purchase order shall be issued for immediate repair/replacement of the devices. The vendor shall invoice M-DCPS for the replaced devices ~~as outlined in Section 6.13 (F) at the line item price(s) inclusive of labor submitted in the bid documents.~~

CHANGE # 3: ITB ATTACHMENT 12, Requirement e. has been modified as follows:

- e. Copy of the Contractor Pre-Qualification Certificate issued by the Office of Community Partnerships, Education, and Business Access, Miami-Dade County Public Schools. Bidder shall be pre-qualified, at a minimum, as a Low Voltage Contractor and/or Fire Alarm Contractor 1. If the Bidder is not pre-qualified at the time of bid, they may submit proof they have submitted the application and started the process of prequalification. ***Vendors without a Pre-qualification Certification shall be prohibited from receiving any work until they obtain a valid a Pre-qualification certificate.***
