QUESTIONS AND ANSWERS
FOR
ITB-25-023-PM – GENERATOR REPLACE, REPAIR AND MAINTENANCE

Addendum 1

Q1. The Miami-Dade School Board will define a geographical area encompassing a designated set of generators and issue a Request for Qualifications (RFQ) for Preventive Maintenance (PM) services within that area. The contract will be awarded to the lowest qualified bidder.

In the event that a repair is required, the awarded PM vendor will conduct a diagnostic assessment, upon which a separate RFQ will be generated based on the vendor's findings. This repair RFQ will then be made available to all qualified vendors for competitive bidding?

A1. For any repairs over \$2,499, an RFQ will then be issued to all qualified vendors. For more information, please refer to section 5.2 Method of Award.
