ITB-25-026-VF
Fresh Produce Distribution Services

ADDENDUM NO. 1

QUESTIONS AND ANSWERS:

Q1: Bid Summary Excel Sheet - Column F "Estimated Minimum Quantities"- What UOM is this in? Cases? Pounds?

A1: The quantities listed are in cases.

Q2: The sheet states item number 1-43 will be awarded on a total low. Does this mean that the Case price entered in H4 to H46 are added together to come up with the sum of the case prices or are the case prices multiplied by the "Estimated Minimum Quantities" column and then added up to come up with a final figure?

A2: The "Total Low" will be determined by adding the Invoice Sell Price for all 43 items listed in the Bid Summary Excel Spreadsheet. Regardless of whether the calculation is based on the sum of the unit prices or the extended totals using estimated quantities, the evaluation method will consistently yield the lowest overall bidder for the award.
