

## **Addendum # 1 for ITB-15-083-YWP School Bus Routes for Private School Bus Companies**

**The following list addresses the questions received regarding this solicitation:**

1. The Dade-County School Board will increase a percentage to the contractual prices if drastic fuel price change by the CPI?

**Answer: As stated in the ITB, Section 17, Price Adjustments, at the end of each contract term, providing the option(s) to extend is exercised, the contract prices may be adjusted by up to 5%, up or down, applying for every 5 cents of fuel price increase/decrease (maximum 5% either way) to the contract price for the previous period.**

2. How will you verify the veracity of the documents submitted and insure that all the employees of the company are covered under workers compensation and are being paid taxes etc.?

**Answer: The School Board will require all companies to comply with Florida Statute, Section 440 and we will verify evidence of appropriate Certificates of Insurance along with approved drivers to ensure compliance with the above referenced statute.**

3. How will the number of air-conditioned buses be verified?

**Answer: Before the Board awards any routes, the existing bus fleet for each company must be in compliance with all of the required inspections. At the time of inspection, required equipment will be confirmed which includes A/C equipment.**

4. There was a CD that was to be provided today at the meeting in which was not given out, where can pick up this CD or the documents that were on the CD.

**Answer: CD can be picked up at M-DCPS Transportation Department located at, 15401 SW 117 Avenue, Miami, Florida.**

5. Where online should I look for the amendments, I looked under the procurements site and was unable to locate them. I was to make sure we have all amendments for our proposal package. Please direct me to where I can find them.

**Answer: The amendments will be posted in the Procurement website at: [procurement.dadeschools.net](http://procurement.dadeschools.net)**

6. Occupational license (requirement on page 26), would that be considered our business license? I'm a bit confused because the business license is also requested on page 26 of the requirements.

**Answer: Yes.**

7. The General liability as well as the Auto coverage is now at \$500,000, in previous years it was at \$1 million. Is this a typo or coverage minimums have been reduced?

**Answer: The insurance requirements has been stricken and replaced with an updated insurance requirement.**

8. On Page 20 section 2.2.1 number 2 says that the insurance documentation needed to be submit no later than 5 days after the Bid opened however Mr. Fox has all of our updated documents as of May when we renewed out policy, is this sufficient or did we need to submit the forms to someone else?

**Answer: A copy of the current insurance may be included in the bidder response.**

9. Last but not least will you be responding to our questions via email or do I need to look on a bulletin online? If online please provide the web address.

**Answer: Answers will be posted via an addendum in the Procurement Website at: [procurement.dadeschools.net](http://procurement.dadeschools.net)**
