Q5. I read the complete document and did not see any specifics as to what it is you are looking to purchase. What pitch, what matrix, single sided/double sided, what method of communication. The index said the Scope of Work was on page 6, it was not there, that I found. We do a lot of service work on the existing LED Marquees in Miami-Dade and certainly would like to provide a bid that will provide a quality product that doesn't need our service work.
