BID/RFP ADDENDUM

Date: 10/4/2024

Addendum No. 1

BID/RFP No. ITB-24-009-MJ BID/RFP TITLE: Signage

This addendum modifies the conditions of the above-referenced BID/RFP as follows:

Please see attached for the responses to the questions received. The deadline has also been extended until
Thursday, 10/10/24 at 1 pm EST. All other terms and conditions of the ITB will remain the same.

All information, specifications terms, and conditions for the above-referenced BID/RFP, are included on the document posted on the Procurement Management website at <http://procurement.dadeschools.net>

The attached pages containing clarifications, additional information and requirements constitute an integral part of the referenced bid. If your bid/proposal has not been submitted, substitute the pages marked REVISED and mail your entire bid/proposal package.

I acknowledge receipt of Addendum Number 1

PLEASE NOTE: If your firm has forwarded a copy of this bid/proposal to another vendor, it is your responsibility to forward him/her a copy of this addendum.

ADDENDUM 1

Questions and Answers

1. Can you please confirm if the bid id only for local bidder? Can outstate companies bid on this project?
Answer: This bid is sheltered for M-DCPS certified vendors. One of the requirements that will make you eligible for certification is that your business be located within the tri-county area (Miami-Dade, Broward, or West Palm Beach).
2. Does an outstate bidder need a business license in Miami-Dade County to execute work?
Answer: For this particular bid, since there is a sheltered market requirement, all bidders must be certified by Miami-Dade County Public Schools. One of the requirements that will make you eligible for certification is that your business be located within the tri-county area (Miami-Dade, Broward, or West Palm Beach).
3. The contract term seems to be initial 2 years, what would be the frequency of order and the minimum order quantity per order?
Answer: This is a singular order for 400, however, with the bid in existence, there may be potential for schools to place independent orders with the awarded vendor over the time frame.
4. Do we need to submit a bid bond, performance or payment bond along with the bid?
Answer: No, a bid bond is not required.
5. Is this subject to prevailing wage?
Answer: No, this is not subject to prevailing wage.
6. Is there any removal of existing signs required and is part of the scope?
Answer: No, removal of existing signs is not required and not apart of the scope.
7. Please provide an artwork for the sign
Answer: The artwork will be provided to the awarded vendor.
8. The original bid was sent out with an excel spreadsheet named *Bid Summary Excel Spreadsheet* (See attached). Within this spreadsheet it indicated the signs will received a Decal Mounted Graphic Sized at 46" x 46".
Answer: This question is incomplete and cannot be answered at this time.
9. On today's call, David Mateo indicated these signs will not receive a decal. Can you confirm print method for this request is DIRECT PRINT TO SUBSTRATE?

Answer: UV Print as per the specifications.

10. Additionally, David Mateo indicated the size of the sign is 4' round. Can you confirm we must produce the signs at 48" round? Would you be open to reducing the size of the sign to 46" round so that we can produce two signs per 48" x 96" ACM panel? Otherwise, you will be forced to utilize 60" x 120" material to achieve a 48" round size.

Answer: Please adhere to specifications provided in the solicitation.

11. On the zoom, my colleague, Mario Soto commented regarding 1/4" Brushed Metal DiBond indicating that we do not believe DiBond makes a brushed metal 1/4" thick panel. We contacted the manufacturer directly and inquired. They responded and confirmed they do not offer a 6mm brushed Dibond, only carry a 3mm. (See attached email from manufacturer 3A Composites)

Answer: This question is incomplete and cannot be answered at this time.

12. Based on the info from 3A Composites, would you consider using an alternative material?

Answer: Please adhere to the specifications provided in the solicitation.

13. Is there a replacement plan if signs are vandalized? (I.e. stolen, damaged, Graffiti) Since these signs are all located on ground floor, do you want to consider producing extras as a contingency plan or will you order these on a case by case basis as these situations occur? Would you consider using *Tamper Proof* stand offs to help deter vandalism?

Answer: Please adhere to the specifications provided in the solicitation.

14. When you use a pressure washer on the signs, will you also be using any soaps or chemicals?

Answer: No, the signs will not be pressure washed with soaps or chemicals.

15. Can you further elaborate on color tolerance? What are you expecting over a 5-year period?

Answer: Colors should not fade. Print should be sealed.

16. What is the height that we are attaching the signage to building (ground up) (need to know which truck size)

Answer: Ground floor. No larger than a 10-foot ladder would be required.

17. How many signs per week or month and which counties and what order will these signs be assigned for install.

Answer: This will be determined with the awarded vendor.

18. You stated we had to be registered with MDCP. We are in Florida but not in the counties you mentioned or that are on the website. Does this mean we cannot

submit for this bid? I created an account already but it's telling me I am not eligible. Can you clarify this for me?

Answer: Please refer to the response to question #2. To respond to the second question, more information would be needed as to what account was created.

19. Is there a preferred completion date for the project?

Answer: This will be negotiated with the awarded vendor but must be completed prior to the end of the fiscal year (June 2025). Ideally, months before this.

20. We understand the registration needs with M-DCPS. We are a registered firm; however, our name does not show up on the database search. Should we be concerned?

Answer: For more information regarding your registration as a vendor with M-DCPS, please contact procurement at 305-995-4288 or vendors@dadeschools.net. For certification information, please contact the OEEA department; their contact information is listed in section 5.6 Small/Micro, Minority/Women, And Veteran Business Enterprise Programs.

21. Should all Davis Bacon wages be based on Miami-Dade County? Should this also be used for all sign fabrication; if it occurs outside of the county?

Answer: Vendors are responsible for those determinations, not the District.
