ITB-20-063-EV Painting and Related Incidental Work Questions and Answers

Q1: Will the projects be awarded to a single company or several companies depending on the type of job requested?

A1: This ITB will establish a list of pre-approved vendors. These vendors will be invited to submit quotes on a per-project basis, and the work will be awarded to the lowest bidder. For more information, please refer to sections 5.2, 6.2.1, and 7.

Q2: In order to prequalify for this ITB, is it a *must* to have a painting license?

A2: In order to be considered for award, bidders must submit a Miami-Dade County General Contractor license, Building Contractor license, Specialty Painting Contractor license, or Miami-Dade Building Specialties license. Refer to Attachment 13 (e).

Q3: After bid submission electronically via the e-bidding platform DemandStar, is it mandatory to also submit a sealed envelope?

A3: A sealed envelope is not required if submitting electronically. Conversely, if submitting a sealed envelope, an electronic submittal via DemandStar is required. If there is an extenuating circumstance that prevents a vendor from submitting via DemandStar, please include a thumb drive with an electronic copy of the bid in the sealed envelope. Keep in mind that M-DCPS is moving toward only electronic submittals via DemandStar in the future.

Q4: Can a bid only be submitted by those who received the ITB, or can anyone participate in this ITB?

A4: This ITB is open to any vendor that would like to participate.
