QUESTIONS AND ANSWERS:

Q1: Approved Brand name Worx Cordless Urbine 56 Leaf Blower WG591 has been discontinued. Are we able to provide a comparable item on this and on any other Brand name items not available?

A1: The vendor should submit the comparable item along with a letter from manufacturer stating the item is no longer manufactured. The submittal will be reviewed once the bid has opened.

Q2: MDCPS requires specific warranties that may not be provided by the manufacturer, is it acceptable for the vendor to use a 3rd party extended warranty company to meet MDCP's requirements?

A2: Yes. As long as the specifications/warranties are met, it can be a third-party warranty.

Q3: Line item 6 and 11 mention specific Brands. The scope of work on page 19 says that " Items not listed on the approved brands list must be reviewed, tested, and approved by Plant Operations." Will this testing be done as items are ordered or will Plant operations look to approve this at the beginning of the award period for each line item?

A3: All replacement equipment will be tested according to the field performance test conducted by The School Board's Custodial Equipment, Supplies and Standards Committee.
