QUESTIONS AND ANSWERS FOR ITB-22-011-MJ PETROLEUM PRODUCTS

1. I am writing to confirm the initial contract period of the attached Bid opportunity. It looks like prices are to remain fixed for 3 years correct?

Answer: Yes, this is correct.

2. Additionally, can you clarify the term regarding price adjustments? The market does fluctuate a lot and it looked like we may be able to submit a justifiable increase and request that pricing go into effect during a term of our choosing but then it appeared that the adjustment would only be made to the contract renewal period.

Answer: Awarded bidder(s) may request a price adjustments prior to the end of the initial contract term or each extension period. The price adjustment shall be valid for the next contract and/or extension period unless the adjustment period is otherwise stated and approved by M-DCPS Procurement Management Services. For more information regarding price adjustments, please refer to section 5.3 Price Adjustments.
