Questions and Answers

1. Is this bid an all-or-nothing?

Answer: No, this is not an all or nothing contract. All items do not need a response to be deemed as responsive.

2. There was a recorded prebid conference today. Can we access this recording if so how?

Answer: Recording has been provided in the attached zip folder of this addendum.

3. Do we only bid on the items that have estimated quantities written in or do we bid on all the items on the spread sheet?

Answer: Vendors can bid on any or all line items.

4. Items 18, 19 & 20 do not say the size bottling needed, only has Gallon as unit of measure, Did you need 1 gallon bottles, 55gl Drums or bulk?

Answer: Item #18 is 55 gallon drum, item #19 and #20 are 1 gallon bottles.

5. Item #12 says 40 lbs, but it says Drum next to it. The drum is size is normally 55gls or 400#, What size do I quote?

Answer: It should state a 400lbs drum. This error has been corrected, please find the revised spreadsheet attached.

6. Lastly, For the 15w40, I would think it would be in Bulk, Per gallon, meaning the locations have a storage tank for this product, But, if we do not sell the Mobil brand, Can I offer an API approved equivalent, suitable for? Or does it need to be on a specific engine OEM approval list?

Answer: It needs to be on a specific engine OEM approval list.

7. When is the deadline for questions?

Answer: Tuesday, September 10, 2024, at 5pm EST.
