To date, this is the first Addendum that has been issued for the Request for Proposals #065-GG10, District Healthcare Benefit Program.

The RFP document and attachments originally posted on the district's website as well as contained in the CDs mailed out inadvertently required a password in order to fill out the required proposal documents. A revised version was placed on the website on Monday, May 21, 2007, which allows proposers to fill in the required fields.
