In accordance with the requirements of Sections, 1012.465, 1012.32, and 1012.467, Florida Statutes, School Board Policies 6320 and 8475, as amended from time to time Bidder agrees that, if Bidder receives remuneration for services, Bidder and all of its employees who provide or may provide services under this Agreement will complete criminal history checks, and all background screening requirements, including level 2 screening requirements as outlined in the above-referenced Statutes and School Board policies prior to providing services to The School Board of Miami-Dade County, Florida.

Additionally, Bidder agrees that each of its employees, representatives, agents, subcontractors or suppliers who are permitted access on school grounds when students are present, who have direct contact with students or who have access to or control of school funds, must meet level 2 screening requirements as described in the above-referenced Statutes and School Board policies.

Pursuant to the 2007 amendments to the JLA enacted by the Florida Legislature, requirements for certain fingerprinting and criminal history checks shall be inapplicable to non-instructional contracted personnel who qualify for exemption from level 2 screening requirements as provided under § 1012.468, Fla.Stat. (2007). In addition, the provisions of § 1012.467, Fla.Stat. (2007) are incorporated herein by reference, and any provisions of this Addendum that may be inconsistent with, contrary to, or determined to be in conflict with § 1012.467, will be superseded by said Statute.

A non-instructional contractor, who is exempt from the screening requirements set forth in § 1012.465, § 1012.468 or § 1012.467, Florida Statutes, is subject to a search of his or her name or other identifying information against the registration information regarding sexual predators and sexual offenders maintained by the Department of Law Enforcement under § 943.043 and the national sex offender public registry maintained by the United States Department of Justice. Bidder will not be charged for this search. Further, upon obtaining clearance by the Board, if the Board deems necessary, the Board will issue a photo identification badge which shall be worn by the individual at all times while on Board property when students are present.

Bidder agrees to bear any and all costs associated with acquiring the required background screening - including any costs associated with fingerprinting and obtaining the required photo identification badge. Bidder agrees to require all its affected employees to sign a statement, as a condition of employment with Bidder in relation to performance under this Agreement, agreeing that the employee will abide by the heretofore described background screening requirements, and also agreeing that the employee will notify the Bidder/Employer of any arrest(s) or conviction(s) of any offense enumerated in School Board Policies 6320 and 8475, within 48 hours of its occurrence. Bidder agrees to provide the Board with a list of all of its employees, who have completed background screening as required by the above-referenced statutes and who meet the statutory requirements contained therein. Bidder agrees that it has an ongoing duty to maintain and update these lists as new employees are hired and in the event that any previously screened employee fails to meet the statutory standards. Bidder further agrees to notify the Board immediately upon becoming aware that one of its employees who was previously certified as completing the background check and meeting the statutory standards is subsequently arrested or convicted of any disqualifying offense. Failure by Bidder to notify the Board of such arrest or conviction within 48 hours of being put on notice and within 5 business days of the occurrence of qualifying arrest or conviction, shall constitute grounds for immediate termination of this Agreement by the Board.

This shall be in addition to the twenty five year warranty period.
- ii. More than six (6) warranty response failures within a six (6) month period may result in termination of the contract. Contractor(s) will be notified in writing, listing the specific areas of non-compliance and/or non-performance. If these are not corrected within the time specified, M-DCPS may, without prejudice to other remedies they may have, apply penalty fees and/or take over the assigned work or such portion thereof as may be in default, and correct and make good the deficiencies.
- iii. In such case, the cost thereof, including compensation for supplementary services and expenses made necessary by such default, neglect or failure, may be deducted from any amount due or to become due the Contractor(s) from M-DCPS. 2.41 E-RATE PROGRAM PARTICIPATION AND INVOICING PROCEDURES

2.41.1 Where M-DCPS purchases are made using available E-Rate funding, the selected Vendor/Awarded bidder(s) (known as the “Service Provider” throughout E-Rate program documents) would have initially been expected to:

- 1) Follow all vendor requirements, and be familiar with the E-Rate funding process, as outlined in the SLD (Schools & Libraries Division) / USAC (Universal Service Administrative Corp) practices outlined under the “Service Provider” section of their website at: <http://www.universalservice.org/sl>.
- 2) Carefully scrutinize all line item components on the original quotes provided and determine any non-eligible components within the proposal. These must be highlighted and identified so M-DCPS is cognizant of any line item to be paid at 100% of the cost, before sending the quote for analysis and subsequent funding by the SLD.
- 3) Assume financial responsibility, at time of final invoicing and payment by the SLD, for any and all ineligible line items not originally identified by the Vendor/Awarded bidder(s). This will be based on the SLD’s latest publication of their Eligible Services List guidelines at time of quoting and available through the SLD’s website at: <http://www.usac.org/sl/applicants/beforeyoubegin/eligible-services-list.aspx>
- 4) Receive from M-DCPS a Purchase Order identifying the line items listed in the quote and prices established. This PO will be reflecting the percentage of the cost associated with M-DCPS portion of the total cost, according to E-Rate

Program rules.

- 5) Understand that, the Purchase Order will be the only acceptable document the vendor will receive from M-DCPS acknowledging contractual responsibility for the delivery of the listed products/services.
- 6) Receive reasonable M-DCPS support on all vendor attempts to retrieve proper funding for equipment/services rendered through the E-Rate program.
- 7) Expect that M-DCPS would have timely posted all required FCC E-Rate program forms and documents, according to the instructions provided by the E-Rate program under the "Applicant" section of the USAC/SLD website at: <http://www.universalservice.org/sl>.
- 8) Recognize that M-DCPS will NOT be liable for any unpaid funding from the SLD to the Vendor.
- 9) The Vendor/Awarded bidder(s) must follow the following steps for invoicing, both for the recovery of the SLD/ USAC funding percentage, and the portion the Applicant (M-DCPS) is expected to pay under E-Rate program rules:
- 10) Submit the Service Provider Invoice (SPI) to M-DCPS only AFTER services and/or equipment have been delivered, installed, and are operational – as duly noted and recorded by M-DCPS Infrastructure Systems Support personnel – BUT BEFORE any invoicing is submitted to the SLD / USAC for reimbursement.
- 11) The SPI will be a complete invoice of ALL services and/or equipment, reflecting all charges to M-DCPS (itemizing both eligible and ineligible components) and to USAC. This single and consolidated invoice will contain a comprehensive itemized breakdown of all charges and clearly set forth the appropriate percentage of payments due from USAC and M- DCPS respectively – and should total the agreed-upon amount for 100% payment.
- 12) The Vendor/Awarded bidder(s) will only be permitted to submit an SPI for reimbursement to USAC once M-DCPS has reviewed and has returned a signed approval of said SPI to Vendor/Awarded bidder(s). All SPIs will be reviewed within 14 calendar days of receipt by the M-DCPS Director of the E-Rate Program.
- 13) If, in the course of M-DCPS' review of any SPI, M-DCPS finds any variances between those items delivered and those for which a bill is being submitted, the M-DCPS E-Rate staff will notify the Vendor/Awarded bidder(s) through the Enterprise Service Management (ESM) office that they have not approved the SPI and will indicate which items need to be modified. Once any variances are corrected, the Vendor/Awarded bidder(s) must resubmit the SPI to the M-DCPS Director of the E-Rate Program, through the Enterprise Service Management (ESM) for his/her approval. M-DCPS will again have 14 calendar days to review the re-submitted SPI.
- 14) Vendor/Awarded bidder(s) agrees that, at any time, M-DCPS is free to verify with the SLD/USAC that only those M-DCPS approved SPIs have been submitted to the E-Rate Program for reimbursement. Any indication that non-approved SPIs have been submitted to SLD/USAC will be considered a material breach of the

terms of the contract. Additionally, M- DCPS will, upon becoming aware of any non-approved SPI submissions, notify USAC so that they may take any additional steps available to them to prevent Waste, Fraud, and Abuse of Program funds.

- 15) Damages assessed to the Vendor/Awarded bidder(s) for submission of a non-approved SPI may include and are not limited to suspension of the Contract, termination of the Contract, damages in the amount of the overpayments made to the Vendor/Awarded bidder(s) by M-DCPS or USAC, payment of related funding COMAD (Commitment Adjustments) forced upon M-DCPS by the SLD/USAC, or suspension or disbarment from participation on the E-Rate program. In no way shall this contract modify or limit the rights of SLD/USAC against the Vendor/Contractor, also known to them as the Service Provider.

2.42 PAYMENTS

Payment will only be made for actual installed materials and work performed, which has been inspected and found to be in accordance with the terms and conditions of this solicitation. Work found to be deficient will be corrected by the vendor, at the vendor's sole expense, prior to any payment being made. The vendor will not be compensated for waste and/or surplus materials.
