Locally grown produce shall be identified and featured on the menu as often as economically and seasonally feasible. The District, through its Department of Food and Nutrition, participates in the Farm-to-School program to encourage consumption of locally grown produce to enhance the freshness and nutritional value of the fresh produce, decrease the transport time (food miles) and fuel costs, and to support the local economy. This is the dollar value that the bidder will quote on the bid response sheet for individual products.

C. Market Price

As the majority of produce items are relatively constant (40 out of 52 weeks per year), items that increase or decrease in price will be reviewed by the awarded bidder with the designated District representative on a pre-determined, regular schedule to update the approved shopping list/order guide.

## 6.18 PRICE ADJUSTMENTS

It is expected that the prices submitted shall remain firm for the entire contract and extension period (if any), as stated above. However, fluctuating market conditions can only affect the ability of awarded bidder(s) to maintain the original bid prices during the extension period. Therefore, the Awarded Bidder(s) may request a price adjustment based on verifiable changes in the market. The awardee shall give written notification to The District Procurement Management Services when a price change is being requested. Price adjustments can only be made at each of the one (1) year extension periods, if any, excluding the seasonal produce list provided on a quarterly basis by the awarded bidder, note Section 6.12 Ordering of Products. The seasonal item(s) pricing will be accepted on a quarterly basis. M-DCPS will review all requests for price adjustments and reserves the right to reject or to modify any and all requests as deemed to be in the best interest of M-DCPS.

If mutually agreed upon, the price adjustment(s) shall be valid for the next one (1) year extension period unless the adjustment period is otherwise stated and approved by The District. M-DCPS reserves the right to approve requests for price adjustments or to disapprove and to secure new quotations.

## **6.19 ESTIMATED QUANTITIES**

The estimated quantities provided in the bid proposal are for bidder's guidance only. No guarantee is expressed or implied, as to quantities or dollar value that will be used during the contract period. M-DCPS is not obligated to place an order(s) with bidders participating on this bid. Order placement will be based on the needs and interest of M-DCPS.

## **6.20 REPORTS**

The awarded bidder must maintain and provide perpetual utilization reports by line item, purchasing unit, selling price and school delivery sites, as well as for the total District sum. Utilization data must be maintained so that the awarded bidder can report the number of units delivered, at a specific selling price, in the event of erroneous pricing. Utilization reports must show product description, purchasing unit, case size, price per case, and delivery location on a monthly basis. Utilization reports shall be submitted within fifteen (15) calendar days after the end of a month or as otherwise requested.

Fresh Fruit and Vegetable Program (FFVP) monthly utilization reports must:

- be labeled as FFVP for each of the sixty (60) participating school sites,
- include the number of cases and the average price for each item during the calendar reporting month,
- and also, be submitted to the Department of Food and Nutrition no later than the 10<sup>th</sup> of the following month.

## **6.21 ADDITIONAL INFORMATION**

The awarded bidder shall inform the Department of Food and Nutrition of any problems or delays in providing the awarded item(s) as required. M-DCPS shall consider excessive product cost, repetitive non-deliveries, late deliveries, and/or deliveries of products which are either out of condition or not meeting specifications, to be in default of the contract, and may result in termination of the contract.

## **6.22 FORCE MAJEURE**

A pandemic, Acts of God such as hurricanes and inclement weather (drought or floods or unseasonable rain or temperatures), may be a factor in the unavailability of certain produce items at reasonable prices. The awarded bidder is to contact the District representative with documentation and to present alternative products and prices.

## **6.23 INVOICING/REPORTS**

Each successful bidder(s) shall submit a monthly usage report listing the total delivery quantities for each item delivered to each school. This report shall be directed to The School Board of Miami-Dade County, Florida, Department of Food and Nutrition, 7042 West Flagler Street, Miami, Florida 33144, Attention: Food and Menu Management. This usage report shall be submitted by the tenth (10th) day of the following month.

## **6.24 ADDITIONAL REQUIREMENTS**

**Bidder(s) acknowledges acceptance of the following:**

The legislation defines “domestic commodity or product” as one that is produced in the United States and is processed in the United States substantially using agricultural commodities that are produced in the United States. If any pesticide residue is in excess of USDA or FDA recommendation, the product shall not be considered acceptable. The pesticide analysis must accompany the grade certificate and must cover all shipments.

## INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
