5.1 GENERAL INFORMATION

The purpose of this Invitation to Bid (ITB) is to establish a contract with preapproved vendors for the purchase of network connectivity devices for Miami-Dade County Public Schools.

The term of the resulting agreement shall be for a period of three (3) years with two (2) successive options to renew of one-year each, all at the discretion of the District. Options to renew will be evidenced in writing as a contract amendment to the resulting agreement, negotiated, executed and signed by the District prior to the expiration date of the resulting agreement or any valid extension thereof.

5.2 METHOD OF AWARD

The Procurement staff, assigned to this ITB, will evaluate and award all responsive and responsible bidders regularly engaged in network connectivity. The recommendation for award will be submitted through Procurement staff to the School Board. The award decision will be made by the School Board, whose decision shall be final. The agreement between the successful proposer(s) and the Board will be non-exclusive.

- Pricing will not be an initial requirement for the award of this bid. Bidder's that meet all the requirements of this solicitation will be added to a pool of pre-approved vendors.
- Awarded vendors may receive a Request for Quotes (RFQ) for orders over the current quotation threshold of one-thousand dollars (\$1,000).
- For all items under \$1,000, the award of items will be based on a rotation of item requests.
- The RFQ will be awarded to the lowest responsive, responsible bidder, meeting specifications. Prices must remain firm and fixed for a minimum period of 180 days. If requested, all quotes must be submitted on forms provided by the M-DCPS authorized representative.
- Please note that prices quoted shall not include sales tax, as The School Board of Miami Dade County, Florida, is a non-profit organization and, as such, does not pay sales tax on any material, equipment, services, etc.

The agreement between the successful bidder(s) and the Board shall be non-exclusive. Procurement staff may apply scoring incentives for registered businesses certified by the M-DCPS Office of Economic Opportunity, at the recommendation of the Goal Setting Committee, and/or vendors claiming local preference, in accordance with School Board Policy 6320.05. The Goal Setting Committee recommended that this solicitation require mandatory participation by a M-DCPS certified African American or Non- Minority Woman prime firm or subcontractor to be deemed responsive.

5.3 PRICE ADJUSTMENTS

For firm fixed pricing, catalog discounts and/or preapproved vendor bids, it is expected that the prices submitted shall remain firm for the entire contract and extension period (if any). However, fluctuating market conditions may affect the ability of awarded bidder(s) to maintain the original bid prices. Therefore, the awarded bidder(s) may request a price adjustment based on verifiable changes in the market prior to the end of the initial contract term or each extension period to be valid for the upcoming contract extension period. This price adjustment is subject to approval by M-DCPS. All requests for price adjustments must be submitted in writing to M-DCPS Procurement Management Services, with substantial documentation, including but not limited to, applicable market indexes for the product/service affected, Consumer Price Index (CPI) published by the U.S. Department of Labor, and any other documentation supporting the request for price adjustment. The price adjustment shall not exceed the price index as reported by the Department of Labor. M-DCPS will review all requests for price adjustments, and reserves the right to reject or to modify all

requests as deemed to be in the best interest of M-DCPS with appropriate documentation provided to the awarded bidder(s). If mutually agreed upon, the price adjustment(s) shall be valid for the next contract and/or extension period unless the adjustment period is otherwise stated and approved by M-DCPS Procurement Management Services. Awarded bidder(s) who are granted price adjustments must make these price adjustments valid for the contract extension period. Price adjustments shall be subject to audit as to the validity/accuracy at any time by M-DCPS personnel.

5.4 BID SUBMISSION

The entire bid packet must be submitted electronically via the e-bidding platform DemandStar. All bids must be neatly typed on 8 1/2" X 11" page size, with normal margins and spacing. **It should be noted that M-DCPS is no longer accepting submittal of bids in hard copy format. All bids must be submitted electronically via DemandStar.**

For more information on how to register on DemandStar, please refer to the instructions set forth in **Attachment 15.**

Bids must be received by the deadline for receipt of proposals specified in this ITB Timetable (Section 3).

Please note that bids are due on the date and at the time indicated in Section 3. Bid response submission to the Procurement Management Services via DemandStar on or before the stated time and date will be solely and strictly the Bidder's responsibility. M-DCPS will not in any way be responsible for any delays in Bidder's submission of their bid.

Bids must be signed by an authorized officer of the Proposer who is legally authorized to enter into a contractual relationship in the name of the Proposer. The submittal of a bid by a Bidder will be considered by the District as constituting an offer by the Bidder to perform the required services at the stated prices.

A. Workers' Compensation/Employer's Liability Insurance

The insurance provided by the bidder shall apply on a primary basis. Any insurance, or self-insurance, maintained by the Board shall be excess of, and shall not contribute with, the insurance provided by the bidder.

Failure to submit evidence of insurance, as outlined above, may cause the bidder to be considered non-responsive and ineligible for award.

In addition, upon award, the successful bidder shall provide a fully completed certificate of insurance signed by an authorized representative of the insurer providing the insurance coverages set forth hereinabove, and naming "The School Board of Miami-Dade County, Florida and its members, officers and employees" as an additional insured and certificate holder. Failure by the successful bidder to provide a fully completed certificate of insurance providing the insurance coverages outlined above, or to maintain such insurance coverages throughout the contractual period, including any extension periods, may cause the bidder to be in default, which may result in the termination of the award.

Neither approval nor failure to approve the insurance furnished by the bidder shall relieve the bidder of the bidder's full responsibility to provide insurance as required herein.

The insurance provided by the bidder shall apply on a primary basis. Any insurance, or self- insurance, maintained by the Board shall be in excess of, and shall not contribute with, the insurance provided by the bidder.

Compliance with these insurance requirements shall not limit the liability of the bidder. Any remedy provided to the Board by the insurance provided by the Board shall be in addition to and not in lieu of any other remedy (including, but not limited to, as an indemnitee of the bidder) available to the Board under this contract or otherwise.

The bidder shall be responsible for assuring that the insurance remains in full force and effect for the duration of the contractual period, including any and all extension periods that may be granted to the bidder. A current list of businesses certified by the M-DCPS OEO can be found online at: <https://miamidadeschools.diversitycompliance.com/?TN=miamidadeschools>.

All vendors must comply with Board Policy 6320.02 and the procedures described in the OEO Administrative Procedures Manual in effect at the time the vendors enter into an agreement with the Board. 5.7 REQUIRED SUBCONTRACTOR/SUBCONSULTANT INFORMATION TO BE SUBMITTED BY THE BIDDER

If Bidder is not a M-DCPS certified African American or Non-Minority Woman firm, Bidder's proposal must include participation by a M-DCPS certified African American or Non-Minority Woman subcontractor and the bidder must state what dollar amount or percentage of work is being performed by such subcontractor. Please include a completed Attachment 16 (Statement of Intent to Perform as a Certified Subcontractor/Subconsultant) in your bid response to specify the name of the certified subcontractor/subconsultant, the proposed percentage or dollar amount of the work to be assigned to the certified subcontractor/subconsultant, along with the scope of work the subcontractor/subconsultant will provide related to this solicitation. Proposals submitted by a bidder that is not a M-DCPS certified African American or Non-Minority Woman subcontractor or proposals from non-certified firms that do not include participation by a M-DCPS certified African American or Non-Minority Woman subcontractor, including the dollar amount or percentage of work to be performed by such subcontractor, shall be deemed non-responsive.

Bidder(s) are required to provide notification of certified subcontractor substitution within five (5) business days of any change. Please note that the substitution of subcontractor must have prior approval by the Office of Economic Opportunity. All substitution requests should be submitted on the Substitution Form.

5.8 WARRANTIES

The warranty for equipment, after delivery and acceptance by the school or department, shall be for three (3) years, or manufacturer's warranty, whichever is greater. The successful vendor(s) will be responsible to repair or replace each unit during the warranty period, at no cost to the Board. If off-site repair is required, the District requires a replacement during the time of the repair at no cost to M-DCPS. Vendor agrees to repair and return equipment within three (3) days from receipt of request. Vendor must be able to provide

maintenance on equipment after initial warranty period.

SECTION 6 - SCOPE OF WORK

This Section identifies the levels of performance that are desired by the District. Bidders are instructed to indicate a response to ALL service requirements and specifications contained in this Section in the order listed using the same numbering system.

6.1 GENERAL INFORMATION

The District is seeking bids to establish a contract with preapproved vendors for the purchase of network connectivity devices for Miami-Dade County Public Schools.

The awarded contract resulting from this bid will be non-exclusive.

6.2 SCOPE OF WORK

The purpose of this Invitation to Bid is to establish a contract with preapproved vendors for the purchase of network connectivity devices. The scope includes, but is not limited to, the purchase of cabling, connectors, caching equipment, caching services, routers, switches, firewall services and components, UP/battery backup, operating system software of equipment installation, transceivers, modules, server and desktop hardware, intrusion prevention system and components, network adapter cards, laptops, bridges, gateways, repeaters, multiplexers, and software supporting the items on this list.

6.2.1 CATALOG DISCOUNT

Each bidder shall submit a single-fixed discount percentage from the specified manufacturer's catalog and/or descriptive price lists for all products that may be utilized in the performance of this contract. The vendor may provide higher discounts off list, but not lower, than those provided on the bid submission. If there are no price adjustments, current prices shall remain in effect. All price adjustments shall be subject to audit, as to validity and accuracy, at any time by school system personnel. M-DCPS reserves the right to separately bid and/or contract any additional product(s), if deemed to be in its best interest. For the purpose of this bid, catalog discount refers to discounted percentage off all products and/or categories within the manufacturers group.

All awarded bidder(s) may update their catalog offerings to: (a) add additional original equipment manufacturers (OEM's), upon prior approval of M-DCPS, and offer a discount percentage off the OEM's catalog listing or (b) offer additional discount percentages from the bidder(s) original bid submission, throughout the term period of the agreement. This will be accomplished by providing an updated excel spreadsheet to M-DCPS Procurement Management Services and shall be at the sole discretion of the District. At no time during the term of contract may discounts be decreased.

6.2.2. REQUEST FOR QUOTATIONS

Requests for quotations will be issued to awarded vendors on a per item basis. Prices for such request for quotations must be fixed and firm for the duration of the specified period. For all items under \$1,000, the award of items will be based on a rotation of item requests. Failure to agree to the terms of the RFQ may disqualify vendors from future bidding on this ITB. The District, by requesting quotations, does not by implication commit itself to commencement or completion of any project.

The awarded bidder(s) shall be approved to participate in Request for Quotations (RFQ) as may be required by the District. The awarded bidder(s) shall be invited to offer a firm-fixed price for item(s), as specified. These prices must remain firm-fixed for a minimum of 180 days as per the RFQ.

Awarded vendor(s) will be placed in a database and shall be contacted via fax, letter, E-mail or other electronic methods for quotes by District personnel. Awarded vendors(s) will be invited to offer quotes. Results may be posted to the Internet and District Shopping Cart. Schools and District Offices will utilize these prices to make selections based on the specifications required at their site. All quotes submitted shall be inclusive of all parts, packaging, shipping and handling costs. Labor costs should be submitted as a separate line item.

Quotations will be evaluated, and the lowest responsive and responsible bidder(s) meeting specifications shall be awarded the specific RFQ. If the awarded vendor is unable to deliver the requested product, the District reserves the right to select the next lowest responsive responsible bidder or re-issue the RFQ, at the sole discretion of the District.

6.2.3 E-RATE PROGRAM PARTICIPATION

Where M-DCPS purchases are made using available E-Rate funding, the selected Vendor/Awarded bidder(s) (known as the "Service Provider" throughout E-Rate program documents) would have initially been expected to:

- A. Follow all vendor requirements, and be familiar with the E-Rate funding process, as outlined in the SLD (Schools & Libraries Division) / USAC (Universal Service Administrative Corp) practices outlined under the "Service Provider" section of their website at: <http://www.universalservice.org/sl>.
- B. Carefully scrutinize all line item components on the original quotes provided and determine any non-eligible components within the proposal. These must be highlighted and identified so M-DCPS is cognizant of any line item to be paid at 100% of the cost, before sending the quote for analysis and subsequent funding by the SLD.
- C. Assume financial responsibility, at time of final invoicing and payment by the SLD, for any and all ineligible line items not originally identified by the Vendor/Awarded bidder(s). This will be based on the SLD's latest publication of their Eligible Services List guidelines at time of quoting and available through the SLD's website at: <http://www.usac.org/sl/applicants/beforeyoubegin/eligible-services-list.aspx>
- D. Receive from M-DCPS a Purchase Order identifying the line items listed in the quote and prices established. This PO will be reflecting the percentage of the cost associated with M-DCPS portion of the total cost, according to E-Rate Program rules.
- E. Understand that, the Purchase Order will be the only acceptable document the vendor will receive from M-DCPS acknowledging contractual responsibility for the delivery of the listed products/services.
- F. Receive reasonable M-DCPS support on all vendor attempts to retrieve proper funding for equipment/services rendered through the E-Rate program.
- G. Expect that M-DCPS would have timely posted all required FCC E- Rate program forms and documents, according to the instructions provided by the E-Rate program under the "Applicant" section of the USAC/SLD website at: <http://www.universalservice.org/sl>.
- H. Recognize that M-DCPS will NOT be liable for any unpaid funding from the SLD to the Vendor.

6.2.4 E-RATE PROGRAM INVOICING PROCEDURES

The Vendor/Awarded bidder(s) must follow the following steps for invoicing, both for the recovery of the SLD/ USAC funding percentage, and the portion the Applicant (M-DCPS) is expected to pay under E-Rate program rules:

- A. Submit the Service Provider Invoice (SPI) to M-DCPS only AFTER services and/or equipment have been delivered, installed, and are operational – as duly noted and recorded by M-DCPS Infrastructure Systems Support personnel – BUT BEFORE any invoicing is submitted to the SLD / USAC for reimbursement.
- B. The SPI will be a complete invoice of ALL services and/or equipment, reflecting all charges to M-DCPS (itemizing both eligible and ineligible components) and to USAC. This single and consolidated invoice will contain a comprehensive itemized breakdown of all charges and clearly set forth the appropriate percentage of payments due from USAC and M- DCPS respectively – and should total the agreed- upon amount for 100% payment.
- C. The Vendor/Awarded bidder(s) will only be permitted to submit an SPI for reimbursement to USAC once M-DCPS has reviewed and has returned a signed approval of said SPI to Vendor/Awarded bidder(s). All SPIs will be reviewed within 14 calendar days of receipt by the M- DCPS Director of the E-Rate Program.
- D. If, in the course of M-DCPS' review of any SPI, M-DCPS finds any variances between those items delivered and those for which a bill is being submitted, the M- DCPS E-Rate staff will notify the Vendor/Awarded bidder(s) through the Enterprise Service Management (ESM) office that they have not approved the SPI and will indicate which items need to be modified. Once any variances are corrected, the Vendor/Awarded bidder(s) must resubmit the SPI to the M-DCPS Director of the E- Rate Program, through the Enterprise Service Management (ESM) for his/her approval. M-DCPS will again have 14 calendar days to review the re-submitted SPI.
- E. Vendor/Awarded bidder(s) agrees that, at any time, M-DCPS is free to verify with the SLD/USAC that only those M-DCPS approved SPIs have been submitted to the E-Rate Program for reimbursement. Any indication that non-approved SPIs have been submitted to SLD/USAC will be considered a material breach of the terms of the contract. Additionally, M- DCPS will, upon becoming aware of any non- approved SPI submissions, notify USAC so that they may take any additional steps available to them to prevent Waste, Fraud, and Abuse of Program funds.
- F. Damages assessed to the Vendor/Awarded bidder(s) for submission of a non- approved SPI may include and are not limited to suspension of the Contract, termination of the Contract, damages in the amount of the overpayments made to the Vendor/Awarded bidder(s) by M- DCPS or USAC, payment of related funding COMAD (Commitment Adjustments) forced upon M-DCPS by the SLD/USAC, or suspension or disbarment from participation on the E-Rate program. In no way shall this contract modify or limit the rights of SLD/USAC against the Vendor/Contractor, also known to them as the Service Provider.

6.2.5 UL/CSA/ETL APPROVAL

All electrical equipment shall bear the approval symbol or name of Underwriters' Laboratories, Inc., The Canadian Standards Association or ETL Testing Laboratories.

6.2.6 DELIVERY/SHIPPING

All deliveries must be made within thirty (30) days after receipt of order. Prices quoted shall be F.O.B. destination Information Technology Services Annex (ITS), or as indicated on the purchase order.

All items not furnished on the purchase order within the time specified may be cancelled, and/or the vendor may be defaulted and lose eligibility to transact new business as stipulated in the Instructions To Bidders. Delivery will be an important factor in evaluating vendor performance for the award of future orders. Please note that ISS warehouse receiving hours are Monday through Friday from 7:00 a.m. to 2:30 p.m. M-DCPS purchase order number must appear on all boxes, invoice and packing slips. Each shipping container/pallet must include its own itemized packing slip. Failure to include any of the above information may result in the shipment being rejected at vendor's expense.

6.2.7 WARRANTY

The warranty for equipment, after delivery and acceptance by the school or department, shall be for three (3) years, or manufacturer's warranty, whichever is greater. The successful vendor(s) will be responsible to repair or replace each unit during the warranty period, at no cost to the Board. If off-site repair is required, the District requires a replacement during the time of the repair at no cost to M-DCPS. Vendor agrees to repair and return equipment within three (3) days from receipt of request. Vendor must be able to provide maintenance on equipment after initial warranty period.

6.2.8 INVOICING AND PAYMENT

Vendor shall invoice based on the actual materials utilized. Invoices shall be emailed to the M-DCPS, Enterprise Service Management (ESM), ESM@dadeschools.net. The invoice document shall contain the following information:

1. District's purchase order number
2. Work location number and name
3. Purchase order line item number MUST match product number and description of materials utilized, quantities and unit prices
4. Any E-Rate invoices MUST include FRN number, Application number and SPIN number.

M-DCPS is tax exempt and therefore does not pay taxes. The payment terms of the District are net 30 days after receipt and acceptance of item(s).

Invoices not submitted in accordance with the procedures and requirements defined herein will not be processed for payment and will be returned to the vendor.

6.2.9 MANUFACTURER'S CERTIFICATION

In the event a bid is submitted by other than the equipment manufacturer, a certification executed by the manufacturer shall be required stating the bidder is an authorized representative of the manufacturer. All bidder(s) that are bidding on Cisco OR HP/Aruba products must be at least Gold level (or equivalent) certified by the manufacturer. Proof of such certification must be provided at the time of bid submittal. Failure to provide may deem your bid non-responsive.

6.2.10 NEW EQUIPMENT

This bid shall be for new equipment only. Newly manufactured containing used or rebuilt parts, remanufactured, rebuilt, reconditioned, newly re-manufactured, used, shopworn, demonstrator or prototype equipment is not acceptable and will be rejected.

6.2.11 UNAUTHORIZED SHIPMENT/SUBSTITUTION

Unauthorized substitutions and shipments could be grounds for termination. Vendors may be considered in default of the contract and shall lose eligibility to transact new business with the Board for a period of

fourteen (14) months from the date of termination by the Board.

6.2.12 NON-EXCLUSIVITY

MDCPS reserves the right to procure the items herein described through the use of contracts awarded by GSA, the State of Florida, any other county or municipality, or other authorized contract, whichever is considered to be in the best interest of the Board.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (Telephone Number).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
