Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period. Discounts on this contract were benchmarked against the Broward County Public Schools contract, which has similar terms and conditions. The discounts are, in most cases, equal to or better than the Broward contract. The awarded vendors are contacted for quotations on each purchase exceeding the threshold and competition among vendors has insured favorable pricing to the District. This is the second one-year extension of the contract. The awardees have agreed to extend for an additional one (1) year extension period, by letter, on file.
