Vendors Recommended for Contract Extension: 5

ADVANCED BUSINESS COMPUTERS  
CDWG  
D & D SECURITY RESOURCES  
PIONEER LOCK  
UNITED DATA TECHNOLOGIES, INC.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional ninety (90) day period, to provide continuity of service while a new bid is issued. The issuing department has requested a new contract instead of accepting an additional one (1) year contract extension option, as allowed by the bid. Specification revisions for the new bid include additional groups and types of equipment for security locking devices. Additionally, the local marketplace has changed and the vendor base involved in this commodity is no longer the same.
