Austin Tupler Trucking, Inc.
Metro Trucking Company

Justification: It is considered to be in the best interest of the District to extend this contract for an additional ninety (90) day period, to benefit from continuity of service. Benchmarking is not possible, because the prices bid were fixed for only the initial six (6) months. Because coarse aggregates are a volatile market, after the initial six (6) months, spot-market quotes are obtained for the quantities requested. Specifications are being revised to permit rebidding. Staff has indicated satisfactory performance from the vendors and recommends extension. The awardees have agreed to extend for an additional ninety (90) day period, by letter, on file.
