Vendors Recommended for Contract Extension: One (1)

Hand Utilities, Inc.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period. Extension of this contract will keep the District in full compliance with the appropriate Miami-Dade County and Florida Department of Environmental Protection Agency (EPA) regulations. This is a specialized service, and there are very few vendors in Miami-Dade County properly licensed to successfully perform these services. Staff has indicated satisfactory performance from the vendor and recommends extension. This is the final extension of the contract. The awardee has agreed to extend for an additional one (1) year period, by letter, on file.
