Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, at the current prices, inasmuch as the annual Consumer Price Index (CPI), for food, energy, and transportation have each increased between 2.9 and 3.9 percent. This contract provides special bakery products, including bagels, pastries, and Cuban-style bread, to senior high schools, for use in the Food Service Program of the Department of Food and Nutrition. The prices are fixed at the lowest competitive prices received in 2006, thus providing the District with favorable, fixed pricing for an additional year. The vendors' products and performance have been satisfactory. This is the first extension to this contract. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.
