Vendors Recommended for Contract Extension: One (1)

School Specialty, Inc.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to benefit from fixed prices and the continuity of service. This contract is required to support Facilities Design Services and Stores and Mail Distribution Departments, to meet the demand for cafeteria booths and tables for various schools throughout the District. Facilities Design will utilize these items on bid, as well as the convertible folding benches on Bid No. 053-FF01 for planned projects. Benchmarking was completed against the Hernando County Bid and the District's prices were found to be lower. This is the second extension of the contract. Staff has indicated satisfactory performance from the vendor and recommends extension. The awardee has agreed to extend for an additional one (1) year period, by letter, on file.
