Contract No. 075-DD08

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to provide continuity of services. Benchmarking was conducted against The School Boards of Broward and Palm Beach Counties and the District's educational discounts were found to be equal or better. The awarded vendors will be invited to submit quotations for art supplies and equipment for various locations, for a specified term or for any single requisition exceeding the threshold for quotations. The vendors' performance has been satisfactory. This is the first one (1) year extension. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.
