Vendors Recommended for Contract Extension: One (1)

Ampco Products, Inc.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, at the current prices, to benefit from fixed prices and the continuity of service. Benchmarking against the contract of Palm Beach County Schools indicated that the District's prices were lower. Staff has indicated satisfactory performance from the vendor and recommends extension. The awardee has agreed to extend for an additional one (1) year period, by letter, on file.
