July 1, 2006 - June 30, 2007

Previous Extension Amount: Revenue Generating

Vendors Recommended for Contract Extension: Three (3)

Coca-Cola Enterprises, Inc.      Ice Cream Vendors, Inc.      Mici Vending

Justification: It is considered to be in the best interest of the District to extend this contract for the second one (1) year period. This is a revenue-producing contract, providing for the placement of non-carbonated beverages, snacks, and ice-cream vending machines in the student access areas of the Vocational and Senior High Schools. The extensions with Mici Vending and Ice Cream Vendors, Inc., are for ice-cream vending machines; the extension with Coca-Cola is for non-carbonated beverage vending machines. One vendor, Gilly Vending, Inc., conditioned her extension based on beverages, snacks and milk products for a one-year period. Inasmuch as the Board has awarded a contract for a marketing agent for an exclusive beverage contract, and issued another bid for healthy snack vending districtwide, the extension could not be granted. The District may choose to opt out of the second six months of this extension, as provided in the extension documents. The extension to Coca-Cola, Mici Vending, and Ice Cream Vending will continue to provide a revenue source to the District.

Contract No.: 081-DD03

Contract Title: VENDING-MACHINE PROGRAM FOR SENIOR HIGH  
SCHOOLS, STUDENT ACCESS

This extension will provide time for the marketing agent, DD Marketing, to implement the exclusive beverage contract for the District. The non-carbonated drinks supplied through this contract comply with the District's Wellness Policy. Although there have been no healthy guidelines defined for ice-cream products, the ice-cream vendors have collaborated with the District in introducing healthier selections in the vending machines. Staff has indicated satisfactory performance from the vendors and recommends extension. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.
