Hunter Knepshields Company

Justification: It is considered to be in the best interest of the District to extend this contract for an additional ninety (90) day period, to provide continuity of service, while a new bid is issued and awarded. This 90-day contract is required to meet the demand for outdoor furniture, for various schools throughout the District. The supplier is unable to hold firm fixed pricing for a one-year extension due to increased freight charges, as evidenced by 3.8% increase in transportation costs on the PPI. The awardee has agreed to extend for an additional ninety (90) day period, by letter, on file.
