Extension Award Amount: \$1,450,554.11

Extension Date: 09/07/06 – 09/06/07

Purpose of Contract: The purpose of this contract is to provide custodial paper products for use at various Miami-Dade County Public Schools locations.

Original Award Date: September 7, 2005

Terms of Contract Award and Extension: One year, with an option to extend for three (3) additional one (1) year extension periods and, if needed, ninety (90) days beyond the expiration date of the current period.

Previous Extension Date: N/A

Previous Extension Amount: N/A

Vendors Recommended for Contract Extension: TOTAL CONNECTION, INC.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, to provide continuity of service. The vendor has performed adequately during the term of the contract and has agreed to extend by letter on file. When compared to the State of Florida contract, Miami-Dade County Public Schools contract had lower pricing.

SPECIAL CONDITIONS

1. **PURPOSE:** The purpose of this bid is to establish a contract, at firm unit prices, for the purchase of estimated requirements, for the items listed. The term of the bid shall be for one year from the date of award, and may, by mutual agreement between Miami-Dade County Public Schools, Florida and the awardee, be extended for three (3) additional one (1) year periods and, if needed, 90 days beyond the expiration date of the current contract period. The Board, through Procurement Management Services, may if considering extending, request a letter of intent to extend from the awardee, prior to the end of the current contract period. All prices shall be firm for the term of the contract. The successful vendor(s) agrees to this condition by signing its bid.
2. **AWARD:** Award of this bid will be made, item by item, to the lowest responsive, responsible bidder(s), meeting specifications, resulting from the application of the following formulas:

Item 1:

$$Pe = \frac{Pb \times K}{Sc}$$

Where:

- Pe = Formulated price per case for evaluation and award purposes.
 Pb = Bidder's price per case as shown on bid proposal.
 K = Constant with a value of 96000.
 Sc = Number of sheets per case derived from the multiplication of the number of sheets per roll times the number of rolls per case or, more directly, from the total number of sheets per case as indicated in manufacturer's own printed literature for the product.

Item 2:

$$Pe = \frac{Pb \times K}{Tc}$$

Where:

- Pe = Formulated price per case for evaluation and award purposes.
 Pb = Bidder's price per case as shown on bid proposal.
 K = Constant with a value of 4000.
 Tc = Number of towels per package times the number of packages per case or, more directly, from the total number of towels per case as indicated in the manufacturer's own printed literature for the product.
