Vendors Recommended for Contract Extension: Two (2)

Trident Surfacing, Inc.
Sportswork, Inc.

Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period, at firm unit prices, to benefit from fixed prices. In addition, northern hard maple and floor finishing products made with petroleum by-products have also risen in price. Staff has indicated satisfactory performance from the vendors and recommends extension.

Attempts were made to benchmark against the School District of Palm Beach County, however, the terms, conditions, structure, and line-item service requirements are not similar, so benchmarking could not be performed. This is the second extension of the contract. The awardees have agreed to extend for an additional one (1) year period, by letter, on file.
