Justification: It is considered to be in the best interest of the District to extend this contract for an additional one (1) year period to benefit from fixed pricing. This contract was benchmarked against the State of Florida and Broward County Schools contracts and the District's prices were found to be lower. Staff has indicated satisfactory performance from the vendors and recommends extension. This is the first extension, and second year of the contract. The awardees have agreed to extend for an additional one-year period, by letter, on file.
